

Mathematical Thinking for Instruction:

Grades K-3

(MTI K-3)

Preston – June 1 – 5, 2009

Professional Development Application

Course Requirements

Participants will receive 3 credits for taking the MTI course. These credits will be paid for by the Idaho State Department of Education. For more information visit: www.sde.idaho.gov.

The course will be offered June 1-5, 2009, 8:30-4:30 pm and held at Preston Junior High School.

All participants are expected to attend all class meetings. If you must miss a class meeting, please make arrangements ahead of time with the instructor as soon as possible.

Missing more than one half-day session will result in the participant having to withdraw from the course and take it at a later date.

Preference for enrollment in the Summer 2009 courses will be given to teams that include at least three teachers from a feeder middle school, three teachers from a high school, and one administrator from each school. Please note on the application if your school has fewer than three teachers per grade level band.

Teachers will also be responsible for taking a pre-inventory of items related to mathematical knowledge for teaching at the beginning of the course and a post-inventory after the course is complete. The results of this inventory will be kept strictly confidential and used only by IDMT staff for research purposes.

Submission Information

Please complete this application and submit to the Institute for Developing Mathematical Thinking (IDMT) no later than **May 1, 2009**.
